EDUCATION

HOLY ANGEL UNIVERSITY — Angeles City
Bachelor of Science in Computer Science — April 2027
Thesis - *AniMedika*: Rice Leaf Disease Classification Using EfficientNet-Based CNN
Relevant Coursework: Dean's Lister (1st Year); President's Lister (2nd & 3rd Year);
Academic Scholar (2 Semesters)

HOLY FAMILY ACADEMY — Angeles City
Graduated with Highest Honors — May 5, 2023

PROJECT EXPERIENCE

AniMedika | *Undergraduate Thesis*
UI/UX Design, Frontend Development
- Developed an EfficientNetB0-based Convolutional Neural Network (CNN) for multiclass rice leaf disease classification and contributed to thesis documentation.
- Conceptualized and designed the system's user interface, prioritizing usability, intuitive navigation, and clear information presentation to ensure an accessible user experience.
- Contributed to frontend and backend development, collaborating with team members to integrate the machine learning model and deliver a functional web-based application.

Decilio Nom Database (DND) | *Full Stack Web Application*
UI/UX Design, Frontend Development, Backend Development, Database Management
- Designed and developed a private family recipe archive that centralizes family recipes for convenient access and organization.
- Implemented core functionalities, including recipe search, category-based filtering, and CRUD (Create, Read, Update, Delete) operations for recipe management.
- Developed the frontend using React, Vite, React Router, and CSS, and the backend using Node.js, Express, and PostgreSQL-related technologies.
- Integrated a Supabase PostgreSQL database and deployed the application through Render.

eLingkod | *Barangay Service Mobile Application*
UI/UX Design, Frontend Development
- Conceptualized and designed the application's user interface, focusing on intuitive navigation and accessible access to barangay services.
- Collaborated with team members on frontend development, contributing to the implementation and integration of the application's features.

Bake & Co. | *Bakery Mobile Application*
UI/UX Design, Frontend Development
- Collaborated on the development of a bakery-themed mobile application using Flutter and Dart, focusing on a visually cohesive and user-friendly interface.
- Implemented mobile UI components, product displays, and custom visual elements to present bakery products clearly and improve the overall browsing experience.

Truth in Tales | *Creative Writing Website*
UI/UX Design, Content Writing

- Conceptualized the website's user interface, focusing on a cohesive visual presentation and an engaging reading experience.
- Authored a blog article exploring selflessness, empathy, and the decision to remain child-free, contributing to the website's editorial content.

LEADERSHIP & ACTIVITIES

League of Outstanding Programmers (LOOP) Holy Angel University
Vice President Internal June 2024 – June 2025

- Supported internal organizational operations and coordinated with officers and members to facilitate communication, collaboration, and organizational activities.
- Assisted in maintaining member engagement and ensuring smooth coordination of internal affairs.

Google Developer Groups (GDG) Holy Angel University
Internal Relations Staff June 2025 – June 2026

- Assisted in organizing organizational activities and facilitating coordination among team members.

College Student Council Holy Angel University
Multimedia and Creatives Staff June 2023 – June 2025

- Designed posters, publication materials, and other graphic assets for council announcements, events, and promotional campaigns.
- Contributed to the visual presentation of council initiatives through creative layouts and consistent design elements.

SKILLS & INTERESTS

Creative & Design

- UI/UX Design
- Graphic Design & Web Design
- Wireframing & Prototyping
- Visual Communication & Layout Design
- Figma, Adobe Photoshop, Canva

Programming & Development

- Frontend Development
- HTML, CSS, JavaScript, React
- Python, Java

Technical & Professional

- UI Implementation
- Attention to Detail
- Problem-Solving

Soft Skills

- Collaboration & Teamwork
- Communication
- Time Management
- Adaptability
- Continuous Learning

CERTIFICATIONS

UI/UX & Graphic Design

- **Use Canva to Design Digital Course Collateral** — Coursera | April 2026
- **Create and Design Digital Products Using Canva** — Coursera | April 2026
- **Build Your Business Brand Using Canva** — Coursera | April 2026
- **Work with Components in Figma** — Coursera | September 2024

Web Development & Programming

- **Legacy Responsive Web Design V8** — freeCodeCamp | September 2024
- **JavaScript Essentials 1** — Cisco | October 2024
- **Build a Free Website with WordPress** — Coursera | April 2026
- **Relational Database V8** — freeCodeCamp | February 2025

Artificial Intelligence & Data Analysis

- **Artificial Intelligence Fundamentals** — IBM | March 2026
- **AI Fundamentals with IBM SkillsBuild** — Cisco | March 2026
- **Data Analytics Essentials** — Cisco | March 2026

Cloud Computing & Cybersecurity

- **AWS Academy Graduate – Cloud Foundations – Training Badge** — Amazon Web Services (AWS) | March 2026
- **Endpoint Security** — Cisco | August 2025

IT Fundamentals

- **CompTIA IT Fundamentals+ (ITF+) Certification** — CompTIA | November 2023
